Constitution of a new Police dist Mysore city & Taluk

[App. F. III—2

General and Revenue Secretariat

(P.C.) File No. 141 of 1932.

Serial No.	
	From The I. G. of Police
1	Letter no. C.C. 63/32-33 dated 20.1.33 stating that in view of the growing importance of the Mysore city, a new Police dist. consisting of the Mysore city & Taluk and placed under the charge of a D.S.P. and that the remaining Kolar dist & the remaining present Mysore dist. may continue to have each its own D.S.P. as at present and forwarding proposals in the matter.
	The proposals of the I.G. of Police are :—
	1. ~~That a D.S.P~~ The appointment of a D.S.P for the new dist in place of the A.S.P. Mysore city, the cadre of D.S.P's being increased by one & that of A.S.P's being reduced by one.
	The D.S.P is to be granted a conveyance allowance of Rs 75/- pm.
	2. Addition of a Senior clerk on Rs 70-5 and a junior clerk on Rs 50-4-70 for the new office to which 3 clerks on Rs 30-3-45, one on Rs 50-4-70 will be transferred from the existing staff (viz 1 on 70-5-95, 3 on 50-4-70, 6 on 30-3-45) of the Mysore dist Supdt of Police office.
	3. The office accommodation is to be provided in the old A.S.P's office now used as quarters for two Inspectors & the central Police Stn. Continuing as such or

in the alternative three cases; and the two Inspectors are to be granted house rent of Rs 15/- each p.m in lieu thereof.

The Intelligence Dept. of the Mysore city is to be placed under the charge of a Sub-inspector in the place of a Jamedar now existing; the Sub inspectors cadre being raised by one & the Jamedars cadre being reduced by one.

The necessary orderly is proposed to be drawn from the existing strength of the District Constables viz two constables from the Bettadapur outpost & one from the Banner Station ~~[illegible]~~

The Regular Police strength of the ~~City~~ new Dist, it is stated, will consist of the existing men in the city & Taluk & that the Estt will not be unequal.

The proposal involves an extra expenditure of Rs 370/- p.m or Rs 4440/- a year, which the Hon'ble D.G of Police proposes to add to the departmental budget.

Submitted for orders.

Vide proposition Statement attached to the P.L.D

D.S.P's charge. The proposal of the D.G.P now is to place Nyanza & Talura under one D.S.P, the rest of the present Nyanza under another D.S.P & the present French Rocks Circle to remain under another D.S.P. Thus there will be an increase of one D.S.P and a decrease of one A.S.P.

Regarding the Intelligence Staff the D.G.P states that it is a matter of organization & discipline rather than of organization & purpose. To replace the Jamedar in charge of the branch by a Sub Inspector

The extra cost will be Rs 45.00 per annum.

5) It has more or less been decided to place Mysore city (& Talura) under the direct charge of a D.S.P from an administrative point of view, it would seem desirable to constitute the remainder of the Mysore Police District into a separate charge, instead of adding it on to the French Rocks district. The proposal of the D.G.P may therefore be accepted and given effect to from 1st April — or 1st May.

6) The proposition statement has not been verified by the Comptroller and is not in duplicate.

Owing to the set back in the Financial situation, there is absolutely no scope for additional items of expenditure.

There will be no objection if a re-adjustment of charges from among the scale of establishment - both in the Gazetted and non-gazetted ranks is effected instead of throwing additional burden on a deficit budget.

1) Local allowance of Rs 75 to the D.S.P
2) A clerk on Rs 50-4-70 for the office of the A.S.P.
The D.S.P will have as wide jurisdiction as at present and will get the usual T.A. The grant of a local allowance of Rs 75 does not seem to be necessary.

16) As regards (2), the D.S.P's office at Mysore has 10 clerks as against 6 to 8 clerks in other Dt Police Offices. If one clerk could be spared for the A.S.P at Nanjangud from the office of the D.S.P's office there would be no additional cost. The D.G.P may be asked whether it is possible to do this

24) The proposal involves in an extra recurring expenditure of Rs.123/- per mensem or Rs. 1476 per annum on account of establishment charges and house-rent. If the travelling allowance, contingent and other charges of the office of the Assistant Superintendent of Police, Nanjangud are taken into account, the cost will be more. Unless it is absolutely necessary Extra Expr is financially unwelcome.

25) It is not clear whether the proposal does not involve the creation of a new post of Assistant Superintendent of Police or is only to transfer the existing Assistant Superintendent of Police Mysore City as Assistant Superintendent of Police, Nanjangud. In the former case, there will be further additional expenditure which is quite unwelcome in the present financial condition.

It is only a transfer

26) I agree with the Chief Secretary that the grant of a Local allowance of Rs. 75 per mensem to the Superintendent of Police, Mysore, is not necessary.

Subject:—

Proposals for placing the Mysore City under the direct charge of the District Superintendent of Police and constituting a Police Sub Division at Nanjangud under the charge of an Assistant Superintendent of Police.

In passing orders on the report of Mr. S.P. Rajagopalachari on the disturbance that occurred in Mysore on the evening of the 9th October 1932, Government requested the Inspector General of Police to submit detailed proposals for constituting the Mysore City and taluk into a separate charge as suggested by Mr. Rajagopalachari. The Inspector General of Police accordingly submitted his proposals for the constitution of Mysore City and taluk as a separate charge involving an extra cost of Rs.4,440 per annum. As the extra cost was excessive, revised proposals were called for and have now been submitted. According to these revised proposals the District Superintendent of Police, Mysore, will continue to be the principal officer of the District with direct charge over the Mysore City and taluks of Mysore, Hunsur and Yedatore, direct responsibility over the other taluks of the District being vested in an Assistant Superintendent of Police with headquarters at Nanjangud. The Inspector General of Police has also recommended a local allowance to the District Superintendent of Police. The proposals of the Inspector General of Police are generally suitable, but there is not much justification for the grant of a local allowance of Rs.75 to the District Superintendent of Police which may be disallowed. I am of opinion that with this omission the revised proposals of the Inspector General of Police may be sanctioned. The extra cost involved is Rs.48 per mensem.

The proposals of the Inspector General of Police as modified have been agreed to by the Dewan and the First Member of Council, and I solicit His Highness' gracious sanction thereto.

Chief Secretary to the Government of Mysore,

BANGALORE.

SIR,

Subject:- MYSORE CITY DISTRICT.

.....

With reference to Government Order No.P.3196-204/Pol.122-32-2 dated 8th December, 1932 requiring me to make proposals for the reorganisation of Mysore District, I have the honour to state that I have considered various suggestions and have come to the conclusion that the soundest proposal I can put forward is to make the Mysore City and Taluk one District Police Superintendent's charge and the remainder of the present Mysore Police District into another District Police Superintendent's charge, leaving the existing French-Rocks District constituted as it is at present. It is essential, I consider, that there should be an officer of the grade of District Superintendent of Police in charge of Mysore City which is a place of rising importance and of which the population has attained to 1,20,000. At the same time the Mysore Taluk is intimately linked with the City and the inclusion of this Taluk which has only one Station located in Mysore will not involve the District Superintendent of Police being absent from the City for any great length of time. With the excision of the Mysore Taluk, the remainder of the present Mysore Police District will be a charge of greater importance than some other police Districts as Frenchrocks, Kadur and Hassan and may very well have a District Superintendent of Police in charge of it.

2. The Mysore City District and the Mysore District proposed to be constituted will not be greatly unequal in the matter of the police forces entertained in them and the volume of Crime with which they have to deal. As regards establishment the following inclusive figures are given for the sake

of comparison:-

	Insprs.	S.Is.	Jems.	Duffs.	Cons.	V.R.	Total.
Mysore City & Taluk.	4	9	7	35	319	29	403.
Mysore District.	8	14	3	42	345	24	436.

These totals may be compared with those of French Rocks District where the total police force numbers 326, Kadur District where the number is 408 and Hassan District where it is 474.

In the matter of Crime also the charges will not be very unequal. Mysore City and Taluk have registered 701 and the remainder of the District 597 cases, on an average taken over three years.

3. With the bifurcation of the present Mysore Police District into two district charges some addition to the clerical staff now employed will be necessary. There are now 10 clerks employed in the District Police Office inclusive of a Manager, 3 Senior and 6 junior grade clerks. With the constitution of separate District Police Superintendent's offices it will be necessary to employ an additional Manager and each office should have an establishment similar to that of districts of equal importance. That will imply the employment of 6 clerks - A Manager and 2 Senior and 3 junior grade clerks - in each office involving in addition to another Manager, the employment also of one Senior Grade Clerk.

4. The only other additions required are on account of the provision of orderlies for ~~the District Superintendent of Police of~~ the new District Superintendent of Police, Mysore District. The men required may, however, be drawn from the existing strength of the district. My recent tour in the district has shown that the men can easily be spared, 2 constables being drawn from the strength of Bettadapur Out Post and the third from Bannur Station.

5. As regards an office for the District Superintendent of Police, Mysore District, this may be found in the building until recently used as the office of the Assistant Superintendent of Police, Mysore City, which was lately assigned as the quarters of two Inspectors, or in the alternative, the present Central Police Station may be used as the

District Police Superintendent's Office and the old Assistant Police Superintendent's office as the Central Police Station. This will imply the payment of rent to the two Inspectors ejected.

6. There is one additional matter referred to in the Government Order under reference, namely the reorganisation of the I.D.Staff in Mysore City. This is more a matter of organisation and discipline than one of reorganisation: the need is not so much for the assignment of a staff for this duty but the training of the staff so employed and the direction of its attention to its special and specialised duties. In the recent reorganisation proposals an officer of the rank of Jemadar was placed in charge of this staff: it would, probably, be better to have an officer of higher rank in command and I would substitute a Sub Inspector for the Jemadar.

7. Turning to the financial side of these proposals the additional charges involved is Rs.4,500/- as is detailed in the statement hereto appended.

The Local Allowance to District Superintendent of Police will be necessary in the case of the District Superintendent of Police, Mysore City and Taluk who will have very little charge of travelling and yet must maintain a car. The allowance proposed would be subject to the temporary cut as in the case of the District Superintendent of Police, Bangalore City.

8. The proposals involve an increase in the cadre of District Superintendents of police and a reduction in that of Assistant Superintendent of Police by one. I suggest that this additional District Superintendent of Police be added to the police cadre.

9. The extra cost involved by the proposals is small. It could be met by a reduction of the Constabulary by 31 constables but consequent on the some what drastic cuts which have been made in numbers for the benefit of the force as a whole, I am loth to propose any further reduction. The additional cost may, I think, be met from the departmental budget. I may draw attention to the fact that in the

budget figures for 1931-32 a saving of Rs.1,27,000 was effected and that further savings are likely to accrue d ring the current year. As the savings of last year would pay for the extra cost involved for a matter of 2? years, that expenditure may well be met from the budget rather than by any further reduction in staff.

I have the hcnour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

SIR,

In continuation of my letter No.C.C.63/32 dated 21-1-1933 forwarding proposals for the Re-organisation of Mysore City and District Police, I have the honour to state that on reconsideration, I have found that the retention of the District Superintendent of Police, Mysore as the principal officer of the Distric with direct charge over the Mysore City and the Taluks of Mysore,Hunsur and Yedatore thus relieving him of direct responsibility over other Taluks of the District would serve the requirements. This necessitates the creation of a Police Sub Division at Nanjangud with an Assistant Superintendent of Police, having jurisdiction over the Taluks of Nanjangud, Heggadadevankote,Chamarajanagar T.Narasipur and Gundlupet. He will of course be subordinate to the District Superintendent of Police and the latter will have supervision and control over th work of the Assistant Superintendent of Police.

2. These proposals imply the formation of an Office for the Assistant Superi tendent of Police at Nanjangud with an establishment of one clerk in grade Rs.50-4-70 as in other Sub-divisions. A sum of Rs.15/- has been provided as the probable rent for the Office. The orderlies for the Assistant Superintendent of Police will be drawn from Mysore City where two constables provided for the same purpose will be retrenched and added on to the strength of Nanjangud Town. This does not involve any increase or decrease in the strength of the constabulary.

3. The proposal made in my previous letter in regard to the strengthening of the I.D.staff of Mysore City, Viz - substituting the Jamedar by a Sub Inspecto

8

has been maintained. The Local Allowance to the District Superintendent of Police proposed in the original letter has also been maintained.

4. The net financial effect of these revised proposals as protrayed in the appended proposition statement is an excess of Rs.123/- per mensem or Rs.1,476/- per annum.

5. A statement showing the revised jurisdiction of Gazetted Officers i Mysore District is enclosed.

6. I request that these proposals may be approved by Government.

I have the honour to be,

Sir,

Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

Subject:-

Creation of a Police Sub Division at Nanjangud.

Sir,

I am directed to invite reference to your letter No.C.C.63/32 dated 1st March 1933 on the above subject and to request you to be so good as to state whether it is not possible to spare one clerk for the Assistant Superintendent of Police at Nanjangud out of the existing strength of the Mysore District Superintendent of Police's office, seeing that it has 10 clerks as against 6 to 8 clerks in other District Police Offices.

The favour of an early reply is requested.

I have the honour to be,

DISPATCH 2
20 MAR 1933

SIR,

In reply to your letter No.P. 4893/Pol. 141-32 dated 14th/15th March, 1933, I have the honour to append a list showing the strength of the executive Police Force in the several districts of the State and the strength of the clerical establishment in the District Police offices. It will be seen therefrom that the strength of the Mysore District exceeds that of any other district by over 200.

Reference is invited to para 9 of my letter No. C.C. 19/31-32 dated 9th June, 1932, wherein it was stated that the distribution of the clerks in District Police Offices was proposed in proportion to the number of executive officers employed in the district. It will be seen from the statement appended that the Number of Clerks allotted to the Mysore District is in no way disproportionate. Moreover, the fact that the Assistant Superintendent of Police may hereafter be stationed at Nanjangud will not result in the reduction of the work of the District Police Office, and I should be loath to recommend any reduction of the clerical strength as being likely to produce congestion of work.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.
